

NEW PRODUCT RELEASE

K-EDGE GARMIN™ SPORT MOUNT

\$29.99 US

K-EDGE is proud to introduce our new K-EDGE Garmin™ Sport Mount. At \$29.99 USD retail, the customer shopping on price no longer has to settle for a plastic mount.

Through efficiency in both the design and manufacturing process, K-EDGE built the Sport Mount with the same no compromise manufacturing quality put into Team SKY's Tour de France mounts, but at an unbeatable price.

We are in production NOW! We will begin shipping on September 15th, 2016.

Allocation of the first production release will be shipped on a first-come, first-serve basis. Be in stock and prepared for the Eurobike consumer media attention.
