

NEW PRODUCT RELEASE K-EDGE MOUNTS FOR LEZYNE

K-EDGE is proud to partner with Lezyne to provide upgrade computer mounts for the Lezyne Mega GPS. Road, Mountain Bike and Time Trial mount options and an adapter will be available in December, 2018.

"We have great respect for Micki Kozuschek and the quality products Lezyne is known for. It meant a lot to have Lezyne approach us to make these upgrade mounts for their computers."

~ Eric Jensen, President/K-EDGE

K-EDGE's CNC Machined Aluminum mounts for Lezyne feature the Lezyne X-Lock locking system. Made in Boise, Idaho USA, these legendary mounts have proven themselves with countless Tour de France, World Championship and World Cup victories. The Lezyne Adapter will allow previous K-EDGE owners to easily convert their mount to Lezyne.

"As an engineering driven brand we really appreciate the quality and design of K-Edge mounts."

~Micki Kozuschek, President/Lezyne
